Oliver Williams

Closing Remarks

Rocquelle Gilmore-Goode

1986

Rocquelle Gilmore-Goode (born January 28th 1968 in East Meadow, New York) and was raised in Manhasset, New York until she became a teenager. She moved to Central Islip at the age of 15. A newcomer to the neighborhood. She was quickly coined "The New Girl" and pursued by the boys, one Terrence D. Goode would become her High School Sweetheart and after college her Husband and father of her their children (Terrence, Brianna & Makayla). The "New Girl" was later coined "The Girl That Runs Track" & Later "The Track Star". Throughout High School no one ever really called her by her birth name. She wonders if they ever really knew her name at all.

Rocquelle Gilmore (Birth Name) is a former Track & Field Sprinter who specialized in the 55M, 100M, 200M, 400M, 4X 200 Relay & 4X400 Relay as High School & College Athlete. She was also victorious in the Long Jump and the High Jump but chose sprinting over jumping because competition was limited to only four events per meet.

As a High School athlete, coached under Carl Hawker, she shattered the County record in the 55M with a time of 7.0, her record still stands today (30+ years). She was a fierce competitor and went undefeated in most events on the county level, all 4 years of competition.

She competed in State Competitions each of her High School Years. She was Empire State Games Champion in the 100M & 200M in 1985, breaking the games record in the 200M. She held her High School records in many events for decades.

During her final year in High School, she had been offered many Scholarships to well known sprint Universities but she decided to follow her High School Sweetheart & Central Islip Classmates to New England where she would attend Northeastern University on a Full Scholarship. Those Central Islip classmates included Keiron Bigby who attended nearby Brown University & Doug McBride, Robert Edwards, Todd Taylor, Chris Hargrove, later to be joined by Byron Hurt all attending Northeastern University. The campus felt like home.

As a Freshman at Northeastern University Rocquelle dominated the competition leading her team to victory after victory. She led her team to the first ever victory over Harvard University by shattering her schools record, winning two events and running a leg in the decisive mile relay, leaving her competition 10 yards behind. This notable victory impressed her Coach and gained her popularity & respect from teammates and competitors throughout the American East Conference. Her sprint talent continued and helped to gain the School Notoriety and opened the doors of opportunity for other sprint talent to be recruited into Northeastern University, which was formerly known for recruiting long distance talent. She held the team as leading sprinter and scorer, competing in 4 events, the maximum number of events per competition. She did this for most of her college career, but was later joined by a fierce group of young sprinters from New Jersey, recruited by her New Coach Sherman Hart. She coined them her "Little Sisters" & welcomed their talent. The fresh new talent gave her some relief and allowed her to focus on her favorite two events, the 200M & 400M. Known to be a turn master, she would use her turn technique (tighten, lean & speed) to accelerate and move far ahead of her competition leaving them yards behind as she flew into the straight away. She became America East Champion in both the 200M & 400M and anchored & her team to victory in the 4X 400 relays. No matter what place the team was in when she took the baton she would always lean for the win. She remains in Northeastern University Honors Champion Record Books for her indoor performance in the 200M and 4X 100 Relay & Outdoor Performance in the 400M & 4X400 Relay. Today she remains on the America East Record Books All Time Championship list for each of those events.

Although she was a sprinter, she was No stranger to long distance, she would volunteer with her teammates at the Boston Marathon each year, often times running part of the challenging route to assure its safety or working the Finish Line. When injured instead of sitting out of competition she would run longer distance races and still earn point for the team.

After competing at Northeastern, Rocquelle Joined Long Island Striders to pursue her Olympic Dream, which she already had the talent to pursue, consistently hitting Olympic Trial Qualifier Times at Practice, under her Olympic Coach, Charles Chestnut. Her Dream came to an end when the coach decided to move the entire team to Florida Days before her wedding date. Anxious to begin her family & career she did not pursue her Olympic dream and was married into one of Central Islip's most athletic families the Goode Family. She also came from an athletic family.

She has enjoyed long successful careers in Banking, Engineering and as Business Owner. Prior to the Pandemic She was employed for many years at Girl Scouts of Suffolk County where she was a STEM Facilitator in both Central Islip & Brentwood Classrooms.

She has Coached Double Dutch for Suffolk County PAL, Housed in Central Islip. Outside of her regular employment at Girl Scouts she also has coached champion Robotics teams for the organization. She is currently a member of The Interview & Special Education Committee for the Brentwood School District. She is a Lifetime Member of Girl Scouts and has held many positions outside of her employment there. She is a member of the San Francisco Chapter of, The American Business Women's Association & many other organizations. She continues to help develop youth in the communities of Central Islip, Brentwood & Bay Shore to reach their highest potential.

Harvey Walker

1985

Born in New York, New York, Harvey Walker Jr. and his family moved to Central Islip in 1980. A proud member of the “New D”, Harvey was dedicated to building community and solid friendships. A mantra that continues almost 40 years after departing the halls of the High School. Mentored by his father, encouraged by his siblings, and challenged by his friends, Young Harvey was inquisitive and explored his intellectual curiosity. Did you know that Harvey was a very good rapper? The five boroughs were the elite and those from Long Island were not supposed to embark on this art form. He and his battery mate, Andre Davis dazzled the community with their word play and style. They would rap alongside the late Marcel Hall aka Biz Markie.

He and his battery mate, Andre Davis dazzled the community with their word play and style. They would rap alongside the late Marcel Hall aka Biz Markie.

A chance observation during gym class brought Mr. Walker to the track. Harvey tells the story of his friend/football player, Wayne King and Mr. Watkins, recording the time of his 100-yard dash. Mr. Watkins, the track coach at the time, “encouraged” him to join the team. That chance encounter couple with his dedicated spirit has brought us to this Hall of Fame induction. Harvey, a student of history recalls the giants that came before him as he embarked on his track career. Harvey spoke of John Baxter Taylor Jr... Baxter Taylor was the first African American to win an Olympic Gold medal in the 1908 games. He and relay mate, William Robbins, refused to compete for a possible second Gold medal in protest of a teammate that was disqualified. He spoke of Jesse Owens, four time Olympic Gold medal winner in the 1936 Games held in Germany under the eye of Adolph Hitler. Carl Lewis rounds out the trio of track icons that young Harvey would emulate. Lewis, one of the most decorated Olympic and World Championship athletes, won nine Gold and one Silver.

So, how did Harvey Walker Jr. honor the greats before him? From 1981-85, he set school records in the 100, 200, and 4x100 meter events. He participated and excelled in the Long Jump. He ran the 55-meter race indoors during the winter track campaigns. The cherry on top remains the 1984 Penn Relays where he, Richard Fluelen, Percy Carl, and Brian Waite set the school record. Harvey continued his career at Howard University.

The Delaware resident has been busy post being a Musketeer. Harvey is a very successful CPA serving on multiple Boards while dedicating time to numerous civic causes. Harvey has been married to his beautiful bride, Marissa, for 19 years. Their union has blessed them with three sons, twins, Hayden and Tamon that are proudly protecting our country as United States service members. Noah is a thriving high school student.

Please join me in welcoming Harvey Walker Jr. to the Central Islip Sports Hall of Fame.

Tony Goode 1982

Every once in a while a young man that is diminutive in stature wreaks a little havoc. They will outrun, out hit, out fox, and sometimes even beat down a larger opponent. Leonard Anthony Goode (Tony) is the manifestation of big things do come in small packages.

A proud son of Carleton Park, Tony went to wherever the game was. PAL, the Rec Center, and Reed Middle School were his office and he was in total command. Tony gained the attention of the Central Islip High School coaches. They witnessed many of the dynamic runs and bone crushing tackles. His explosive quickness was also

on display in basketball and lacrosse. Coaches Black, Shaughnessy, Morcelli, and Hawker were looking forward to coach a young man that had exhibited so much potential.

From 1980 to 1984, TG11, long before TB12, was “must see TV” earning eight Varsity Letters in Football, Basketball, and Lacrosse. He would be a member of one of the most dynamic backfield/backcourt duos along with his best friend, Hall of famer Doug McBride. They were the original “Thunder and Lightning. Tony started on the Junior Varsity Football and Basketball teams as a freshman at Tailback, Free Safety and Point Guard. The football team went undefeated and unscored upon for the entire season. The JV Basketball team went undefeated in league play. He was the court general dishing assists to James Samuels, Kelly Marsh, Cliff Key, and Doug McBride. Both JV campaigns provided a peek into Varsity highlights on the horizon.

Tony would move up to the Varsity as a sophomore. In football, he started at free safety leading the team in interceptions and pass break ups. Tony loved to tackle and reminded you of Ronnie Lott, Steve Atwater and Kenny Easley, when he filled in the running lanes with explosive tackles. This team would win the league championship. For the following two years, he helped lead the Musketeers to back-to-back winning seasons, highlighted by a record setting 357 yards from scrimmage against perennial rival, East Islip. Once again, he led the team in interceptions and pass break ups. Tony would replace his cleats with sneakers and lead the Purple and Gold to an Undefeated league championship during his junior season.

Tony Goode gave the Musketeer faithful plenty to cheer for from 1980-1984. He is a beloved son of Carleton Park and now a Central Islip Sports Hall of Famer. Welcome and Congratulations, Tony!

Steven Jackson

1982

When you think of prominent families within the Central Islip High School sports landscape, one can call the likes of Tice, O’Leary, Black, and McCray... The last name of our newest inductee can be placed in our pantheon of stellar athletic families. Three of this year’s inductees are related. His older sister, the late Cecilia, was a standout basketball player for the High School. She played 4 years on the Varsity. His older brother, James (Ali), was the heart and soul of several heralded teams from the 1980s.

A lifelong resident of the Town of Islip, Steven Jackson used sports as an invaluable outlet. Football and basketball were his sports of choice until he reached the High School. Stevie participated and excelled within the Central Islip Police Athletic League, started by fellow Hall of Famer, Tom Reilly. He made the 18-year-old travel basketball team at 15. This experience was the catalyst that nudged young Steven to focus solely on basketball. Stevie was fully aware of his family’s legacy, as well as, the storied tradition of Central Islip High School basketball under Coach Ben Morselli.

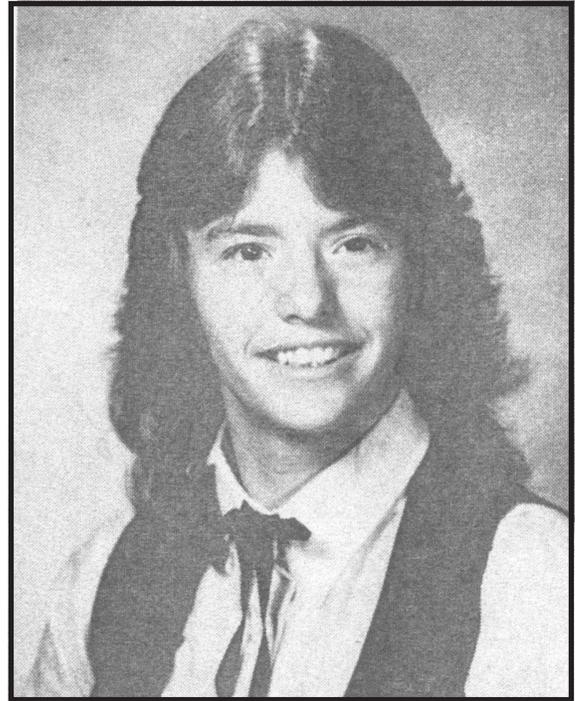

Steven entered the High School, 5’5” and enthusiastic to get his career going. A broken wrist would prevent him from entering the starting five in his freshman season. He was the invaluable sixth man and his freshman team would lose only one game on their way to a league championship. That summer, Steven would grow 4 inches and enter his sophomore campaign healthy and eager to crack the starting lineup. This taller and healthier Jackson delivered 17 points per game as the starting shooting guard under Coach Tom Barkley. The Junior Varsity Musketeers went 16-1 and won another league championship. I hope you have been following young Mr. Jackson’s growth spurts. Stevie is now prepared for his junior season. A special time that would have him play alongside his older brother, James Ali Jackson. The elder Jackson was a 2016 inductee to the Hall of Fame. Young Steven is now six feet tall. Remember, his height as a freshman? The Jacksons would start on the Varsity and lead the Purple and Gold to a 10-2 league record. The younger Jackson averaged 17 points a contest for the second year in a row. Steven attributes his growth as a basketball player to his junior campaign. It is where he learned to practice, to study his opponent, and get his teammates ready for battle. He was awarded Honorable Mention All-League honors. 6’2” senior guard, Steven Jackson, lead the Musketeers to an undefeated season, 12-0. He would contribute 24 points per game. This team would lose in the semifinals of the County championships. For his efforts, Steven would take home every piece of hardware available: All League. All County. All Long Island First Team. Not bad for a 5’5” freshman, huh?

Steven Jackson worked in the nursing profession for about a decade. He has since been working in the automotive industry, very successfully aligning people with their dream preference for transportation. Steven enjoys his family and time with his grandchildren. Welcome Steven Jackson, to the Central Islip Sports Hall of Fame.

Kim Kramer

1982

Kim is a 1982 graduate and was 3 sport athlete. She was a 4 year starter on the Varsity Softball Team. Kim played for the illustrious George Cronin, who made playing fun even though we weren't winning much. One of Kim's favorite memories with Coach Cronin was watching him talk in to his recorder after each and every play and listening to some of his comments-very entertaining. Kim will always be thankful to Coach for giving her a chance as a freshman to not only play but be a starter for his team.

Kim's love for softball began at a very young age. She was introduced to softball by her dad and watching him play in Brooklyn on cement. She moved to Central Islip in 1971 and as soon as she was eligible, she had her parents sign her up for little league softball.

She started at the lowest level, Minor League, and played every year until she completed every level until she aged out. Kim was the first female athlete to complete all of the levels of little league softball. To honor this achievement, the Central Islip Little League retired her number "14" jersey, and presented it to her at the end of the year awards dinner. Kim received numerous MVP awards during her playing time, along with making the travel tournament team every year.

When Kim entered high school, she joined the Swim Team, under Coach Quinn, Girls Basketball under Coach Costello, and the Girls Softball Team, under Coach Cronin. Softball was, and is still, her favorite sport and the one she most excelled at while playing in high school. All the years of playing in Little league, Kim's main position was a shortshop. Kim loved playing this position mostly because it was the same position her dad had always played. When Kim made the Varsity Softball Team the Coach positioned Kim at the hot corner, 3rd base. She played that position for the entire year. The following year, Kim was looking forward to playing shortshop and that is where she started when the season began. During the 3rd game of the season, the team catcher was injured and Coach asked Kim to come in and catch. This was a position she had never played and was a bit reluctant, as she did not want to hurt the team by not playing well. The position grew on her. She loved being behind the plate and being involved in every pitch and every play, having the game unfold in front of her. Her favorite part of catching was throwing out would be base stealers and tagging people out at the plate. During her 4 years of Varsity Softball, Kim received the coaches award (1979) and was a 3 time MVP Recipient (1980, 1981, 1982).

After high school, Kim continued playing in both indoor and outdoor leagues for over 30 years. She played for the Suffolk County Police Team which participated in the NYS Police Olympics, where she won both Gold and Silver Medals over 10 years. She was a JV Head Coach for Shoreham Wading River High School and coached Girls Minor League softball for many years for Central Islip Little League.

Kim has always had a love for the game of softball and would like to Thank YOU DAD for your time teaching me how to play, for being my coach on my little league teams, but mostly for your love and support. Kim feels honored to be considered and nominated into Central Islip Sports Hall of fame and is happy to be able to share this moment with her family and her parents. Kim will be retiring in July, 2022 from Suffolk County Police Department, where she has worked for the past 33 ½ years. She will spending her retirement with her partner, Donna and their 3 children, Tyler, age 20, who is attending SUNY Cortland, Hunter, Age 18, who is attending Hofstra University, and Hannah, age 18, who is attending Nova Southeastern University.

Oliver Williams

2002

High school: 1998-2002

2002 New York indoor state champion in the 55 meters (6.37) and the 300 meters as a senior... during outdoors, Williams notched a second-place finish in the 100 meters at the 2002 New York state meet... as a junior, was second in the 55 meters (6.48) indoors and second in the 100 meters (10.62) outdoors at the New York State Championships... was also a member of the 4x100-meter relay team that finished seventh at the 2002 New York State Championships his senior year... best times included 6.37 in the 55 meters and 10.53 in the 100 meters.

Indoor track: 2002 State champion in 55m,300m All County & All State 2001, 2002

Outdoor track: All County & All State 2000, 2001, 2002

Full ride to the University of Nebraska 2002-2006

2003: Williams led the Husker sprinters in his first season at Nebraska... ran a then-career-best time of 6.78 in the 60-meter dash at the Cyclone NCAA Qualifier in the semi-

finals, and finished fourth in the finals in 6.79... clocked 21.73 in the 200 meters at the adidas Classic for a fifth-place finish... won the 60 meters and took bronze in the 200 meters at the Frank Sevigne Husker Invitational... clocked an NCAA regional-qualifying time of 10.48 in the 100-meter dash at the Ward Haylett Invitational for a fourth-place finish... ran 21.40 in the preliminaries of the 200 meters at the Big 12 Outdoor Championships... ran the lead leg on the NU 4x100-meter relay team that took fourth place at the Big 12 Outdoor meet... notched a wind-aided 10.43 in the preliminaries of the 100-meter dash at the NCAA Midwest Regional Championships but did not advance to the finals.

2004: Williams earned his first career NCAA All-America honor and qualified for both the NCAA Indoor and Outdoor Championships as a sophomore... ran the second leg of the 4x100-meter relay team that clocked a time of 39.90 to earn eighth place at the NCAA Outdoor Championships... broke the school record by posting a time of 39.41 in the preliminary round to qualify for the finals... the relay team also won the Big 12 Conference outdoor title (39.76)... ran a wind-aided 10.30 in the preliminary round of 100-meter dash competition at the NCAA Outdoor Championships, but did not advance to the finals... ran a then-career best of 10.40 in the 100-meter dash to finish fifth at the NCAA Midwest Regional Championships and automatically qualify for the national meet in the 100... ran the second leg on the 4x100-meter relay team that won the regional title with a time of 39.62... took third place at the outdoor conference championships in the 100 meters with a time of 10.67... won bronze in the 100 (10.52) and the 200 (21.39) at the Nebraska Quadrangular... ran the best race of his young career in the Cyclone NCAA Qualifier semifinals of the 60-meter dash to automatically qualify for his first NCAA Indoor Championships and tie the NU school record of 6.61... ran 6.72 in the 60 meters in the preliminaries of the Big 12 Indoor Championships before being disqualified for a false start in the semifinals... earned bronze in the 200 at the outdoor conference championships with a wind-aided time of 21.33 after setting his personal-low time of 20.88 in the preliminaries... took fourth place in the 200 meters with a personal-best time of 21.41 at the indoor conference championships... won the KSU Open 60 in 6.83... won bronze in the 200 meters (21.69) and finished fifth in the 60 meters (6.79) at the adidas Classic.

2005: Oliver Williams Jr. earned his second Big 12 championship and returned to the NCAA Championships as a junior... ran the second leg of NU's 4x100-meter relay that won a second straight conference crown with a time of 39.59 at the Big 12 outdoor meet... the squad broke the school record for the second consecutive year after posting a time of 39.19 that won the NCAA Midwest Regional title... just missed qualifying for the finals at the NCAA Outdoor Championships with a 10th-place time of 39.40 in the prelims... also competed in the 100-meter dash at the NCAA Championships, placing 20th in the prelims with a time of 10.52... claimed fifth place in the 100 at the Big 12 meet in 10.58... finished runner-up at regionals with a 10.37 clocking in the 100 to qualify for nationals... posted a career-best time of 10.34 to win the Nebraska Invitational and qualify for regionals... the performance puts Williams sixth on NU's all-time outdoor list... scored in both the 60-meter dash (6.78) and 200 meters (21.55) at the Big 12 indoor meet with fifth-place finishes... claimed bronze medal finishes in the 60 at the Holiday Inn Invitational (6.82), Husker Invitational (6.75) and Iowa State Classic (tie-6.73)... placed second in the 200 at the Husker Invitational (21.61), while earning third place at the Holiday Inn Invitational (21.99)... ran on the winning 4x100-meter relay outdoors at the John Jacobs Invitational (39.8) and Nebraska Invitational (39.86), while posting a second-place showing in the Invitational section at the Kansas Relays (40.16).

NCAA All-American:

2004 Outdoor 4x100m Relay

Honors:

Big 12 4x100m Relay Champion (2004, 2005);

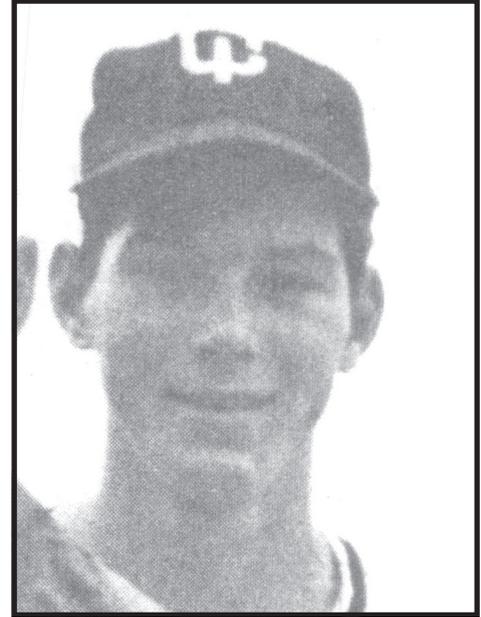

Nebraska Indoor 60m and Outdoor 4x100m Relay School Record Holder;

Big 12 Commissioner's Honor Roll (Fall 2004)

I'm currently married with a newborn and currently live in Glendale, CA. I've been a personal trainer for 10 years.

Gene Hearl

1971

Gene was born and raised in Central Islip Along with brothers Gary, John & Sister Joanne. Gene Started on his path to the hall playing Little League Baseball for the CI Lions, & CISH, Coached by his dad, John and John DiClemente (Hall '62) Like many others. He also played junior football for the old S&A club. The next stop on the way was the Mulligan JHS where he excelled in Football, Basketball & Baseball.

The next leg in the journey brought Gene to the CI HS as he lettered for the 3 years in the same seasonal majors under the renowned likes of coaches, Dave Goldstein, Tommy Costello & Ray Wurm (All Hall Members). In football, Gene earned all league and all county honors. He was a team standout in Basketball and an all league selection in baseball for both his junior and senior years. He also finished with the 2nd highest batting average in Suffolk County just behind future major league star Tom Verizon in 1971.

Gene won a football scholarship to South Western College. After his freshman year, he was drafted for service with the US Air Force but was excused from duty for medical reason. He then returned home and began working for LILO in a career that would span for 45 years and culminate as a member of the systems operations service emergency department.

During his working years Gene played high level flag football and softball along with likes of fellow hall of famers, Tom Black & Tom Reilly. He also found time to run half marathons. Unfortunately a lung transplant several years ago curtailed his activities. However, he remains very busy as a member of the ancient order of Hiberians in which he serves as the Corporate President of Division 7, East Islip. Gene is also an avid golfer.

Gene has twin girls, Kathlin & Jacklyn age 34, and grandchildren Connor (3) and Natalie (5). Gene is proud to call Central Islip still his home. He is honored to join his former coaches and teammates in the Central Islip Sports Hall of Fame.

Steve Long 1972

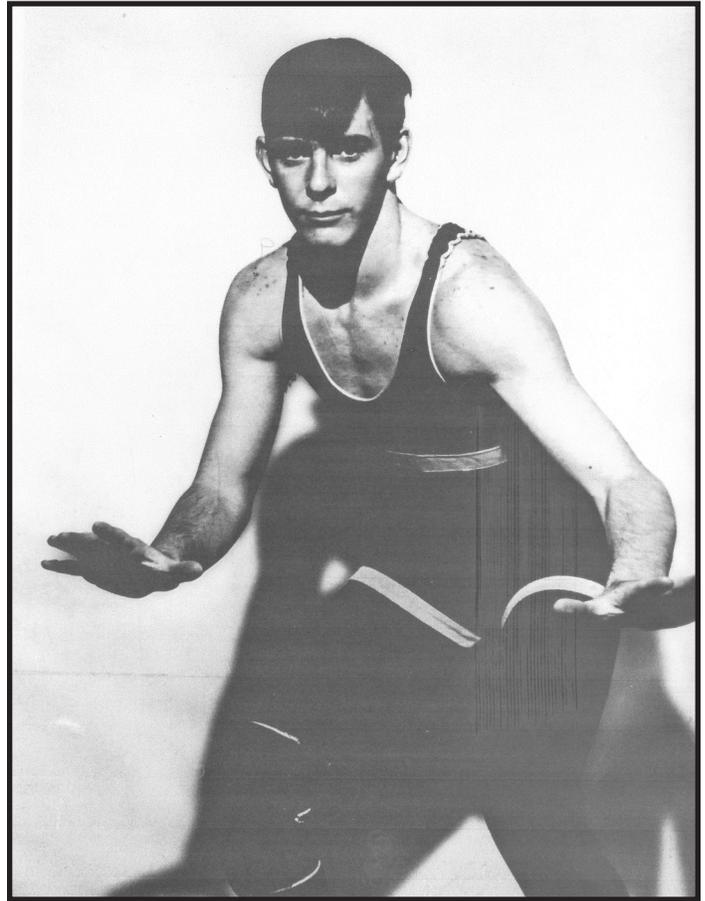

Our Next inductee is a true son of Central Islip. His mother, Julia is not only a CI graduate but she was a star in basketball while she was there. And his brother, Mike was an accomplished athlete at CI; but if you try to talk to him about it, all you hear is about his brother and our inductee, Steve Long. Mike was a valuable member of our football & track teams. Now lets talk about Steve.

Steve was a greatly respected & decorated member of our football, wrestling and track teams from 1969 to 1972. In addition to individual honors, he led numerous teams in each to division, league and county championships as a great competitor and team leader and captain. Just to mention a few; first year football he was outstanding defensive player and second year he was the high scorer. In track he anchored the 880 relay team for three years, was a pole vaulter and sprinter, and the 1972 team went undefeated and

on to the division championship. In that same year he was co-captain (along with Billy Clougher) of the wrestling team that won the division championship. In his senior year, Steve was named as Long Island Scholar Athlete by the Long Island Press-a well deserved honor.

He took all of these talents to Hofstra where he continued to compete in track & wrestling until a second knee injury ended his athletic career. He completed his engineering degree and went on to a very successful 45 year career in the aerospace industry. As we commend Steve for his outstanding athletic & academic accomplishments, we are also recognizing a great guy and terrific human being.

Steve now resides with his wife of 42 years, Donna in Williamsburg, VA. They have two daughters, Stephanie & Julianna and now have two granddaughters, Scarlet & Katherine. Ladies and gentlemen, please welcome our latest inductee to the CI Sports Hall of Fame, Steve Long.

Bill “Flash” Beeker

1983

When you grew upon Wilson Blvd in Central Islip it meant you played sports and learned the meaning of CI Pride. Bill and his uncles all played for the Musketeers. His neighbors included Mike & John Tice and All state wrestler Billy Klinke. Bill credits Mr. Jack Tice & Mr. Bill “The Chief” Klinke (CIFD) who were the mainstays of the quarterback club as outstanding role models and mentors to all the athletes who wore the purple & gold.

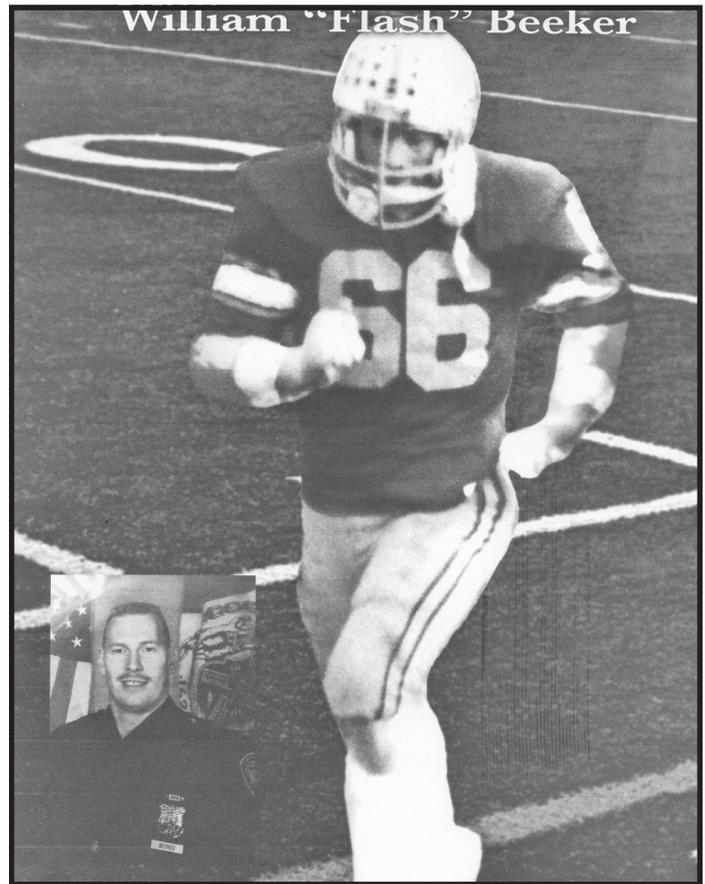

1980 saw the JV team go undefeated at 8-0. This was a foreboding-- of the 1981 campaign when the varsity squad won the league championship. Bill was a key member of that team & played on the Varsity from 1980-1982. As a middle linebacker “Flash” led the Musketeer defense in tackles, blocked punts and fumble recoveries with those numbers throughout his football career he was an all league and all county selection. He was also picked among “the Nifty Fifty” emblematic of the best fifty gridiron stars in Suffolk County. He also won the CI MVP Award for 1982.

During his winter months, Bill would concentrate on strength and agility training in the weight room of the Reed School basement which in later years was enhanced and refurbished by efforts of Coach John Shaughnessy, Principal, Jack Cassidy and Supt of Groups, Mr. Herb Henry, through volunteer work and donations. Transitioning into Spring, Bill would play Lacrosse for CI under the direction of Coach Shaughnessy.

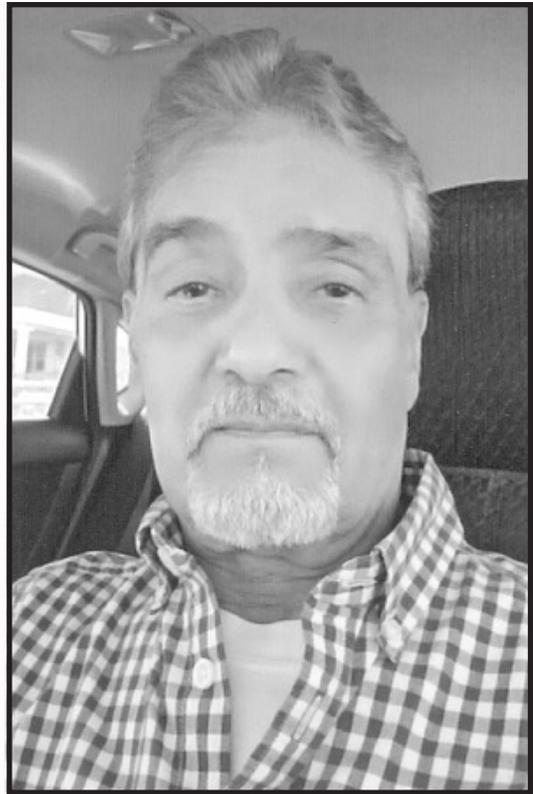

After graduation, Bill continued his piceskin career playing for the semi-pro Brooklyn Knights. His playing days over, he began a 27 year career serving proudly as a member of both the NYPD & Miami Beach Police Departments. Bill is the father of five fine sons, perhaps this is how he got the nickname “Flash”. He shares with CI pride that the boys have all served either, their schools, communities or nation. Son Brian (Navy Veteran) received a scholarship to play QB at Pace University (Coincidentally John Tice later coached Brian at Pace). Son Kenny (Marine Vet) played football at Southwestern College in Kansas. William Jr. played football at Riverhead HS and is currently in the Air Force. His younger sons Sean (14) and Brandon (11) play football and baseball at various age levels. A resume like that should automatically qualify Bill for entry into the hall.

Bill is now retired and lives in St. Cloud, Florida and devotes his free time to coaching youth sports as he done throughout his adult life.

Bill is deadly honored to be included in the hall of fame with so many other CI notables, teammates and friends.

Samuel Montalvo 1972

Samuel (Sammy) Montalvo raised here on Fig Street in Central Islip is one of this years inductee in to the Central Islip Sports Hall of fame.

Sammy graduating in 1972 was a three sport varsity letterman six times. Cross Country 1969, Soccer 1970-71 & Wrestling 1970-71-72. With all three of those wrestling years being Championship seasons for the Musketeers. His sophomore year took 4th place in the league tournament, junior year he couldn't finish the season due to an injury and senior year took 2nd place in the league tournament. For the two years that he played for varsity soccer team he was captain of the team.

After high school Sammy joined the Army serving his country from 1974-1976. Sammy married Mary Ann Irizarry, his high school sweetheart, in December of 1974 and are still married today. Once out of the service Sammy and family returned to Central Islip to live. They presently are living in East Brentwood. They were parents to two outstanding Central Islip athletics, Sean & Jason, who each made a name for themselves here in Central Islip. The outstanding athleticisms has also been handed down to his grandchildren, of which he has six.

Once returning home Sammy went to work construction industry as a union taper. Working with his brothers for various companies, including ones owned by his brothers. Nowadays, Sammy finds relaxation and enjoyment following his grandchildren's sports and of course his NY Mets & Giants.

Ryan Satchell

2011

Early Life

Born Nassawadox, Virginia Nicole Taylor (mother) Ryan Satchell (Father)

Large Family, 7 sisters 1 brother (3 of which Tiyana Tyler, Janiece Tyler, Taquana Satchell went to CIHS)

Moved to CI at 9 years old and attended Mulligan & Reed

High School Class of 2011

Varsity Football 2008-2010

3 year starter at Free Safety, played WR & Special Teams, Coach's Award 10-11, Team Captain

Winter & Spring Track '07-'08 '10-'11

TJ=Triple Jump LJ= Long Jump

Events: long Jump, Triple Jump, 55m,100m. 200m, 300m,400m,4x100m,4x200m,4x400m

2011 NY Public High School State Champion (TJ)

2X First team All State (TJ) 2011

2011 Large School County Champion (TJ)

7X First Team All County (4 in TJ, 3 in 4x2)

2X League Champ (LJ, TJ) 2011

Long Island Elite Champ (TJ) 2011

Broke School record several times, first as sophomore (TJ)

All long island team selection 2011

Section XI Gold Key Award (2011)

Suffolk Zone Award (2011)

2X Team MVP 2X team Captain (Both winter & Spring)

CIHS Senior Scholar Athletic Award 2X Suffolk County All Academic Team

College University of Virginia Major in Computer Science Class of 2015

4 years indoor & outdoor Track & Field Triple Jump

2x NCAA All America (1st team, HM) 2014-2015

2x NCAA Championship qualified 2014-2015

4x NCAA Regional qualified 2011-2015

2015 Outdoor ACC Champion

4x 1st Team All ACC 2012-2015

3x All ACC Academic team 2014-2015

Team Captain 2015

POST GRAD

Moved to the DC metro area following graduation, worked 4 years as a software developer for the Department of Defense

Currently lives in Montclair, NJ working as a software developer for Skadden (NYC Law Firm)

In spare time: still loves running, training, playing basketball and tennis

Sean France 2000

Sean France was a two sport athlete during his time at Central Islip High School, but he was a shining star during the winter and spring seasons in track and field.

Sean was a wide receiver who gave opposing coaches nightmares when they had to figure out defenses against his speed on the outside and going across formations. Once he caught the ball was another problem as they tried to catch him.

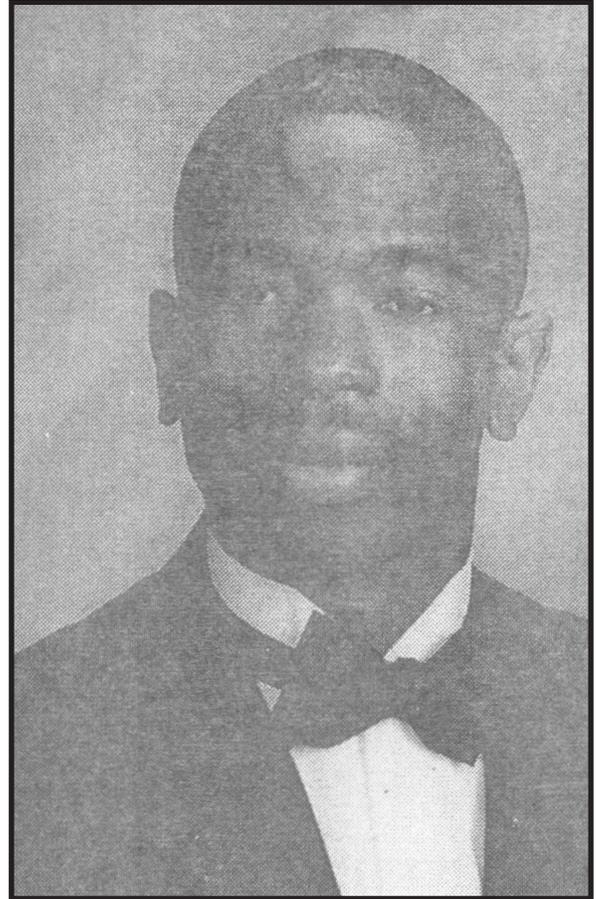

Sean excelled at the long jump and 110 meter high hurdles in high school. During his junior and senior year, he was the Suffolk County champion in the Long Jump and the high hurdles.

During the winter season in his junior year, Sean won the New York State championship and the gold medal in the Long Jump and placed in 4th in the high hurdles. He liked that so much that he repeated the feat again in his senior year.

Sean was also a member of the 4x100 relay team setting a school record in the event. Sean earned a full scholarship to Florida International University, where he ran track and field for four years.

Sean, currently, is a member of the New York City Police Department.

Congratulations, Sean and welcome into the Central Islip Sports Hall of Fame!

Tom Reilly 1992

Central Islip High School boasts a storied history when it comes to athletics, a history that is envied by so many programs on Long Island. Individually speaking, our school has turned out many athletes that have succeeded in collegiate and professional athletics.

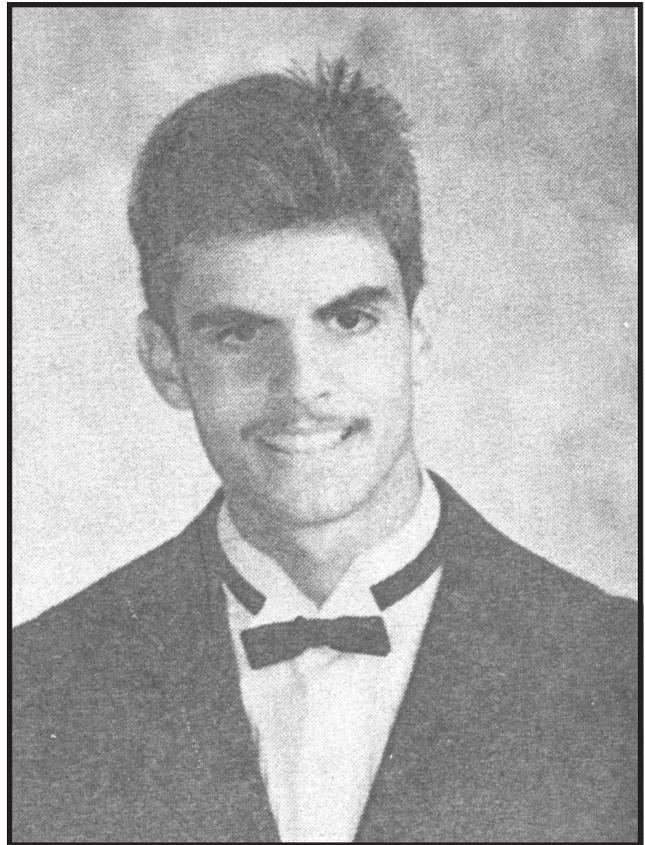

In 1974, The Reilly family moved into the Levitt community of Central Islip from the Bronx and it didn't take long for our next inductee to begin making a name for himself on the diamond and at St. John of God Roller Hockey. Blessed with good size and good speed, Tommy Reilly excelled in baseball and roller hockey. He earned three Varsity letters and won All-League honors in his Jr. and Sr. years while playing shortstop, center, and hurling the ball from the pitcher's mound for the late Coach Doug Carpluk.

The summer of 1991 would prove to be a very busy summer for Tommy. He played on the Empire State Baseball team that won a Silver Medal, while leading Long Island in batting with a staggering .490 average. He also played for Coach John DiClemente on a PAL team that won a Gold Medal at the PAL Nationals in Florida in which he batted over .400 and then won another Gold Medal in the Jr. Olympics Tournament in Georgia where he batted over .400 once more.

Ironically, earlier in the summer, Tommy's Empire State Team scrimmaged his PAL Team and played a half and inning for both teams! He had multiple offers to play in college but decided to stay local where he played for Suffolk Community College. His recollection of specific games and plays makes one realize that he was a human highlight reel, but Tommy was a modest individual who cared more about winning and his teammates rather than his own individual statistics. Ask around, and you'll likely hear his former teammates and coaches saying the same thing, "Tommy was a great athlete!"

Tommy had another love and that was roller hockey and ice hockey. While at St. John of God Roller Hockey he helped his teams win six championships and scored over 100 goals in three of those seasons. He was named regular season MVP three times and Playoffs MVP three times. He played professional roller hockey in 1997 for the RHI and for the Long Island Jaws/NJ Rockin' Rollers. In 1998 he also played professionally for the NY Riot of the MLRH.

Tommy resides in Holbrook and has been an integral part of Baybrent Tile Corp. as a Field Representative since 1996. Tommy Reilly, you gave Central Islip High School your devotion and love for the game of baseball and you helped your teammates at St. John of God Roller Hockey win several championships. Now it's time for you and your family to stand proud because your accolades will be part of the school forever! Congratulations and Welcome home to the CI Sports Hall of Fame!

BOARD OF EDUCATION

Mr. Norman A. Wagner, *President*
Mrs. Michele Harriott, *Vice President*
Mr. Daniel M. Devine
Mr. Glenn C. Mitchell
Mr. Jim Musumeci
